

The News Register

We are AT&T Ameritech/SBC Retirees - AASBCR®

March 2017 NO 001

Reminder to AASBCR® retiree members - Bulletins and the website are paid for by AASBCR® members. Please do not share with non-members. Remember, there is more to AASBCR® than information. We work with AT&T HR and with the National Retiree Legislative Network (NRLN) and Congress in support of retirees. Our dues pay for all of this. Encourage retiree friends to join and support AASBCR® in our fight.

AT&T Introduces a New Retiree Website

AASBCR® has been informed by AT&T HR that the new Retiree Website will be opening soon. AASBCR® Benefit Directors had the opportunity to preview the website. AT&T will send out an Announcement Letter to all retirees. Retirees will begin receiving the letters after March 20. Please read the letter as it explains how to register for the Global Log-on and provides your PIN. Keep the information for future use. It is important to note that the logon retirees may have had for the old Access website will not work. If you already have a Global Logon for Equifax to receive your W2s and 1095Cs electronically, that logon will work for this new website. The letter will also provide information on HR OneStop Assistance with your one-time PINs that are needed to login.

The new website offers portals to the AT&T Benefit Center, Fidelity, retiree discounts. It also offers access to Equifax for those retirees who receive W2s and/or 1095Cs electronically. There is a Retiree News section available. You can also sign up or remove yourself from EBenefits and the Retiree News Letter. Finally, there is a section titled *In Memory*. It has downloadable lists of both active and retired employees who have passed away.

Please be sure to check out this new website as it is an upgrade from the former Access website.

AASBCR® is always working to keep its members informed.
